PROFILE

Growing From Strength to Strength

AWK Steelwares Pvt. Ltd. is one of the most reputed companies engaged in the manufacture and export of a wide range of stainless steel cutlery, kitchenware, bar accessories and tableware in India. Established in the year 1977, we have succeeded in building an enviable reputation in the international market and are known for strong customer-centric approach and industry expertise. With over thirty five years of experience, our stress is on continually upgrading our manufacturing techniques and keeping abreast of the latest technology to further enhance the quality of our products.

Corporate Philosophy

Customer satisfaction is the core of our corporate philosophy and providing our esteemed customers the best value for their money is our commitment.

Our large manufacturing and storage facilities enable us to produce a wide range of world class stainless steel houseware items which can be shipped out at a short notice. Due to our persistent efforts and commitment to perfection, Awkenox has become a trust-worthy brand in the stainless steel houseware sector.

Product Spectrum

Constantly striving to design and manufacture products that meet our client's taste and requirements, Awkenox products are a fine blend of quality and innovation. We offer a comprehensive range that includes

- Cutlery : Spoons, forks, knives, table knives, steak knives, fish forks, fish knives, cheese knives, coffee spoons, soup spoons, parfait spoons, syrup spoons, fruit forks, dessert spoons, dessert forks, dessert knives & baby spoons etc.
- Bar Accessories : Cocktail shakers, winecoolers, toolset, trays, stirrer, jigger, ice buckets, ice tongs & ashtray etc.
- Tableware : Coasters, table trivets, salt and pepper shakers, paper napkin holders, flower vase & serving tray etc.

An alluring range of all-occasion gift sets is another speciality of AWK Steelwares

The Advantages of Infrastructure

AWK Steelwares has a strong and comprehensive infrastructure comprising of state-of-the-art technology and sophisticated machinery that makes each Awkenox product a work of art. Our modern facility also boasts of an in-house Research and Development wing. From rolling, cutting, polishing to finishing and packaging of the products, all activities are undertaken in-house to ensure strict adherence to our own quality standards.

A Pendant for Quality

Uncompromising Quality is an all encompassing company policy. Our products conform to the internationally prescribed standards of quality. Commitment to quality remains a prerequisite for our own self evaluation and motivation for progress. All Awkenox products go through stringent checks, right from the procurement of raw material from reputed vendors to the final stage of packaging and delivery. The company's own 'check and test' facility helps ship only flawless and world class products.

Empowered by Skilled Workforce

A pool of skillful and multi-tasking workforce - that comprises metallurgical experts, production and service personnel and designers who over the years have gained experience in their respective fields is our main strength. Team AWK is constantly engaged in conceiving innovative and creative designs that makes Awkenox a trend setter in its chosen field of expertise.

Foot Print Across the Globe

AWK steel wares has earned many accolades in its sphere of expertise by addressing to the exacting requirements of rapidly growing world-wide clientele. Since our inception, we have managed to outgrow the competition and capture the imagination of our esteemed clients across the global market.

with blessings of
our beloved father
